

1/6

Example of microcapillary channels in an 8 x 12 pattern,
similar to the wells in a 96-well microtitre plate

Fig. 1 (a)

2/6

High density miniaturised well format presentation
having 3456 wells

Fig. 1(b)

Enlarged view of part of a high density
gridded array of, eg, DNA

Fig. 1(c)
